Dede'ye Hoşgeldiniz

Fen Oyuncak olarak bir aile şirketiyiz. Bilindik ve yenilikçi bir oyuncak üreticisiyiz. Üretimimiz Çorlu (Tekirdağ) ve Hadımköy (İstanbul)'da bulunmaktadır. 65 yıla yakın bir zamandır kalitemizi ve geniş ürün portföyümüzü müşterilerimize sunmaktayız.

İki çeşit üretimimiz mevcut: plastik oyuncaklar ve oyun hamurları. Fen Oyuncak'ın üretiminde ve satış şubemiz olan İstoç Toptancılar Çarşısı'nda 350'den fazla çalışanımız bulunmaktadır. Sürekli ürün geliştirme ve büyüyen ürün portföyümüz sayesinde Türkiye oyuncak sektörünün lider üreticilerinden biriyiz.

Biz müşterilerimizle her zaman en sıcak ilişkileri kurarak, onları iş ortaklarımız olarak görüyoruz. Çocukların ilk yıllarında sevgi ve ilginin yanı sıra, ebeveynlerin çocuklarına verebilecekleri en önemli şey, onların gelişimini teşvik eden bir ortamdır. Odak noktamız çocukların gelişimi üzerinedir. İyi oyuncak; merak, hayal gücü, yaratıcılık ve pratik bilgiyle öğrenmeyi destekler. Çocukların oynayarak öğrenmesini ve gelişimini destekleyen geniş bir ürün yelpazesi sunmaya çalışıyoruz. Ürün yelpazemizin bu gereksinimleri karşıladığına inanıyoruz. İlk fikirler ve kavramsal tasarımlar dikkatle inceleniyor ve hem eğitim sektörü hem de ebeveynlerle yakın iş birliği içinde daha da geliştiriliyor.

Tüm ürünlerimiz, ilk numuneden seri üretime kadar ve üretim süreci boyunca kontrol edilmekte ve test edilmektedir. Ürün güvenliği önceliğimizdir. Tüm ürünlerimiz, EN71 gibi ilgili güvenlik yönetmeliklerine göre test edilmektedir. Bu testler düzenli olarak yapılmaktadır. Ayrıca, ISO 9001 kriterlerine uygun, sağlıklı hammadde kullanarak, çevreye saygılı ve geri dönüşüme katkı sağlayacak şekilde üretim yapıyoruz.

Ürünlerimizi 60'tan fazla ülkeye ihraç ediyoruz. Müşterilerimize ürünlerimizi; Market Zincirleri, İnternet Dağıtıcıları, İndirim Mağazaları, Departman Mağazaları ve Toptancılar kanalıyla ulaştırıyoruz.

Müşterilerimizin beklentilerini tam olarak karşılayan kaliteli oyuncaklar üretmeye çalışıyoruz ve ürün yelpazemizi çocukların ihtiyaçlarına göre sürekli olarak revize ediyoruz.

Welcome to Dede

As Fen Oyuncak, we are a family-owned company. We are a well-known and innovative toy manufacturer. Our production facilities are located in Çorlu (Tekirdağ) and Hadımköy (Istanbul). For nearly 65 years, we have been offering our quality and wide product portfolio to our customers.

We manufacture two main product types: plastic toys and play dough. Fen Oyuncak has over 350 employees both in production and at our sales branch located in İstoç Wholesale Market. Thanks to our continuous product development and expanding product range, we are one of the leading manufacturers in the Turkish toy industry.

We always establish warm relationships with our customers and see them as our business partners. In the early years of a child's life, besides love and attention, the most important thing parents can offer is an environment that supports their development. Our focus is on children's development. A good toy supports learning through curiosity, imagination, creativity, and practical knowledge. We strive to offer a wide product range that supports children's learning and development through play. We believe our product range meets these needs. Initial ideas and conceptual designs are carefully reviewed and further developed in close cooperation with both the education sector and parents.

All our products are inspected and tested from the first sample to mass production and throughout the production process. Product safety is our priority. All our products are tested in accordance with relevant safety regulations such as EN71. These tests are conducted regularly. Additionally, we produce in compliance with ISO 9001 standards, using healthy raw materials, respecting the environment, and contributing to packaging waste recycling.

We export our products to more than 60 countries. We deliver our products to customers through Supermarket Chains, Online Distributors, Discount Stores, Department Stores, and Wholesalers.

We aim to produce high-quality toys that fully meet our customers' expectations and we constantly revise our product range according to children's needs.
